Scope of Students for Review (Taking the Spring 2027 Scholarship Annual Review as an Example)

In principle, students who will continue to receive the scholarship after September 2027 (whose quota falls within the approved plan), including doctoral students who are unable to graduate in July 2027 as scheduled, or who, owing to suspension of study, are unable to graduate in January 2028 under the scholarship plan and intend to apply for an extension.

Students whose scholarship was suspended after failing the 2026 review must participate in order to apply for restoration.

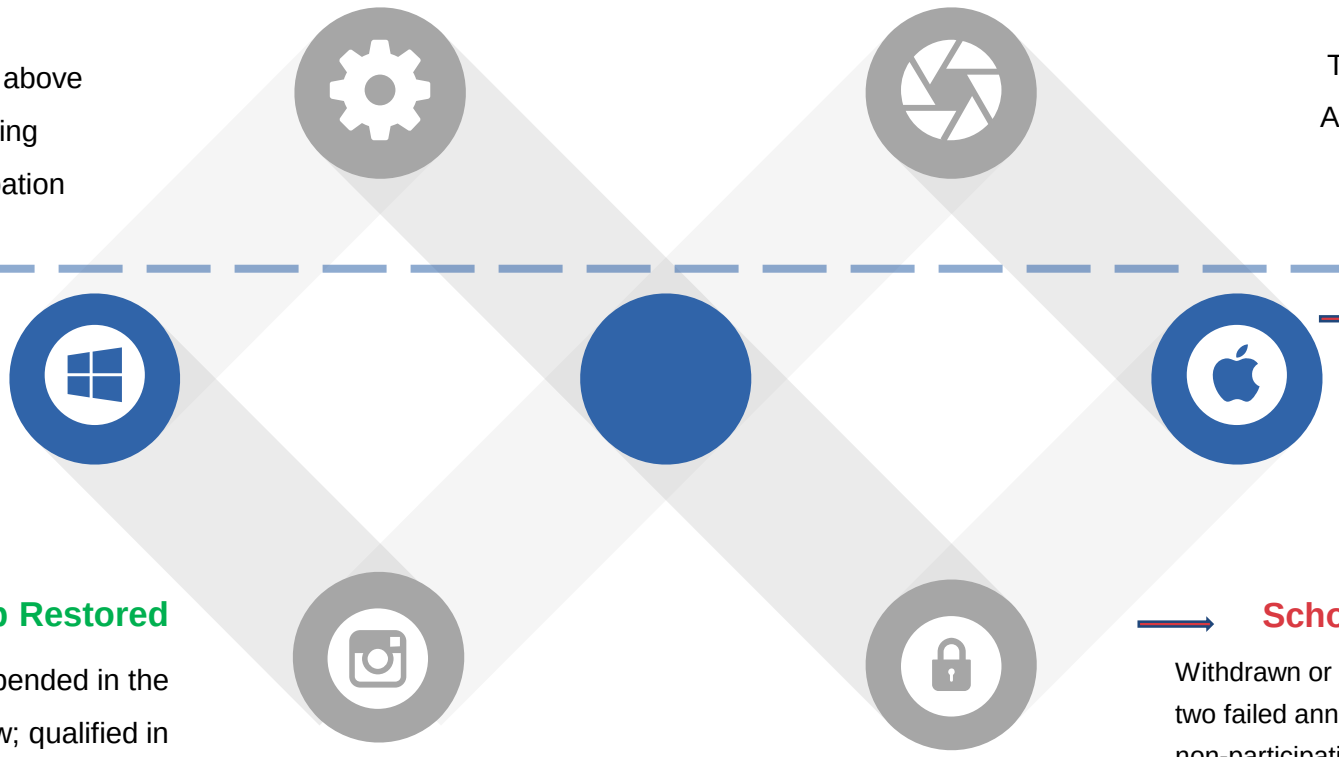

Review Outcome

Qualified

Total score of 60 or above
No withdrawal warning
No disciplinary probation

Not Qualified

Total score below 60, or
A withdrawal warning, or
Disciplinary probation

Scholarship Continued

Qualified in current and all previous annual reviews

Scholarship Suspended

Failed only the current year’s review
Suspended for 1 year; self-funded and can be restored if qualified the next year

Scholarship Restored

Scholarship suspended in the previous annual review; qualified in current year’s review

Scholarship Cancelled

Withdrawn or expelled, or
two failed annual reviews in total, or
non-participation without justified reason

Note: Students whose Category A Shanghai Municipal Government Scholarship was downgraded to Category B may regain Category A status with priority if rated Excellent in the next annual review.
